From Mineiros to Emas National Park

- There is no public transport between Mineiros and Emas National Park. There are two options for travel:
 1. Check if one of the Project researchers will be in town the day of your arrival to pick you up at the Bus Station.
 2. Take a taxi (which costs approximately US\$ 70) or a moto-taxi;
- Reference locations surrounding Emas National Park: “Bar e Borracharia do Tião”.

☛ **Interns should meet in Mineiros to buy food supplies for the period of the internship.**

☛ Interns should notify in advance by email (jaguar@jaguar.org.br) the day of arrival so that Project staff can pick them up at the **Bar do Tião**.

☛ **Interns should arrive on the correct date. In case of any change interns must advise the Project coordinator in advance.**
